

AMERICA BLESS GOD

(Words by Rev. Bill Banuchi, to the tune of Finlandia)

1. Bless God, Bless God, America Bless God
He is The King, The Lord of all the earth.
In God we trust, He is the Higher Power,
He is the One who reigns above all men.
We will proclaim we serve The Lord Almighty,
Who was and is, and evermore shall be.

2. Bless God, Bless God, America Bless God
Our nation birthed to share your saving grace.
Our fathers fought to gain our holy freedom,
America, our country 'tis of Thee.
We worship you, The Lord, our God Jehovah
From sea to sea we bless your holy Name.

3. Called by your Name we bow ourselves to pray.
We seek your face, the God of Truth and Grace
We turn today from all our wicked ways
Forgive our sin and heal our land today.
Hear us Oh God, according to your mercy,
Show now your power, your power to forgive.

4. We bless your name, O God of all the nations,
We bless your name O God of all the earth
We bless your name among the many peoples
That they may know that you are Lord of all
Until the Day when every eye shall see you,
We'll bless your name, America Bless God!
