

## ABOUT THE INSTITUTE

### Marriage & Family Savers Institute

exists to protect the holy institution of marriage, to preserve the integrity of the natural family, and to help restore a sense of social order in our communities by providing a resource to the Church and the community for the education, training and motivation needed to build strong and healthy relationships.

We work to reduce the divorce rate and increase the number of children growing up with a mother and a father.

Marriage & Family Savers Institute is a non-profit 501C-3 educational organization supported by congregations, businesses and individuals concerned about preserving marriage for the next generation. For more information visit our web site:

## MARRIAGE MENTORS

In more than 200 communities in the nation the divorce rate has been significantly lowered by the implementation of Community Marriage Initiatives that include the training of Marriage Mentor Couples who can connect with younger couples to help them succeed in Marriage.

If you are a "seasoned" couple who have learned to overcome challenges, and you sense a stirring in your heart to help others, we invite you to apply for this program. If you qualify you will join the army of "Marriage Savers" working together to bring down the divorce rate while increasing the number of children being raised with both parents
